

Red Kap[®] with  MIMIX[™]

MIMIX™

By analyzing and understanding the relationship between movement of the human body and how clothing inhibits range of motion, Red Kap® has designed an apparel solution that increases freedom of movement without sacrificing durability. MIMIX™-inspired flex panels are placed where the greatest impact can be made to your mobility, efficiency, and performance.

Go ahead. Put it to the test today and feel the MIMIX™ difference.

Built for the way you move.

Bend, stretch, squat and reach without your clothes holding you back.

PREMIUM, PROFESSIONAL LOOK
improves customer perception
and fosters employee pride.

Specially designed **FLEX PANELS**
increase your freedom of movement.

Durable **RIPSTOP FABRIC** used in
work shirts is **75% STRONGER** than
other poplin work fabrics.

MOISTURE WICKING FINISH
on work shirts draws moisture
away from the body.

PERFORMANCE FLEX FABRIC
provides **ADDITIONAL BREATHABILITY**
where you need it most.

Red Kap[®] Work Shirt with  MIMIX[™]
