MIMIX™

US PAT. NO.  
10,085,490

Thanks to a patented, science-based MIMIX™ design, Red Kap® products with MIMIX™ have lightweight stretch panels to increase mobility and breathability for all-day comfort.

**OIL BLOK**  
TECHNOLOGY

OilBlok technology repels oil and oil-based fluids, keeping shirts looking new longer - and it's only available from Red Kap®

**DWR** 

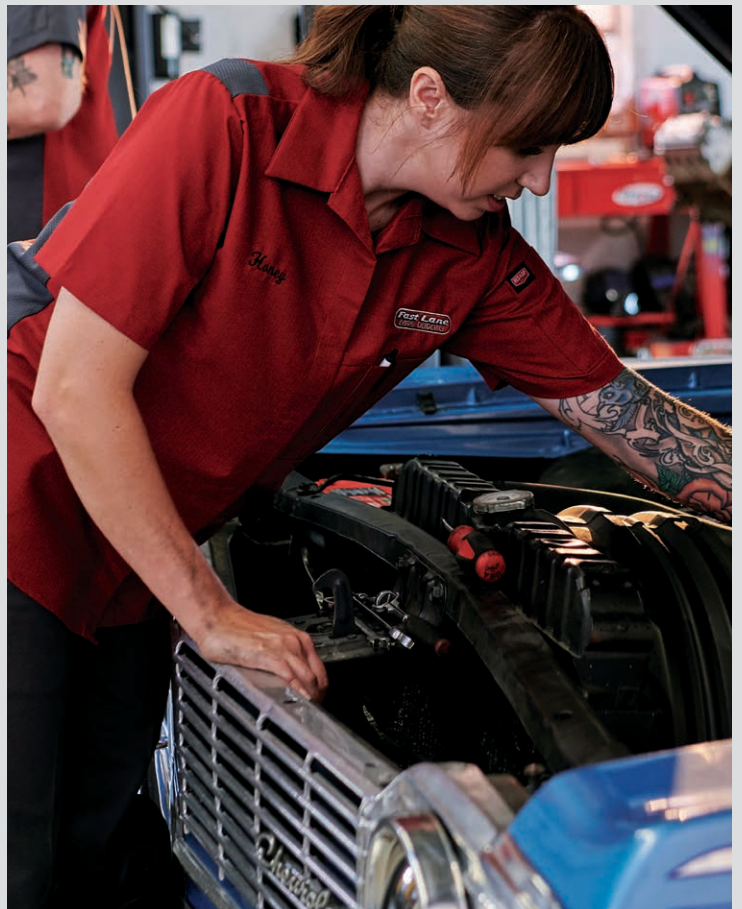

**DURABLE WATER REPELLENT (DWR) FINISH** repels water and water-based liquids while decreasing drying time nearly 30% compared to other non-treated twill workwear fabric.

**ZEROSKRATCH™**  
WORKWEAR COLLECTION

**WORRY FREE WORKWEAR.**  
Covered zippers, snaps and buttons to protect vehicles from damage and the bottom line from gouges.

SafeCinch™

US PAT. NO.  
8,875,313

Drawstrings are tucked away in front pockets, eliminating loose strings and safety hazards. Plus, this innovative functionality offers a neater appearance and easier laundering.

TT PRO

TOUCHTEX PRO™ is the enhanced TOUCHTEX™ technology delivering superior color retention, soil release, durability and an even softer hand on our 65/35 pants.

CAUTION: Garments contained in this catalog meet government flammability Class 1 requirements but do not provide protection from ignition sources, molten substances or chemical exposure. Special flame-resistant garments are available if required.

Product images and fabric swatches shown here are photomechanically reproduced. As a result, colors may vary from actual fabric samples.
